WORKING WITH CHILDREN CHECKS POLICY

1. Introduction and Purpose

It is the policy of the Catholic Diocese of Darwin to ensure that children are safe from sexual or physical harm. As an employer, the Catholic Diocese of Darwin has a responsibility to ensure that all persons employed or engaged to carry out work in child related employment are screened appropriately through a Work with Children Check (WWC).

Every day children are taught, coached, and cared for by workers and volunteers. From sports coaches, music teachers, childcare workers, teachers and church groups – everyone plays a part in helping educate, nurture and inspire children. The requirement for a WWC has been introduced under the *Northern Territory Care and Protection Act, 2015* as a method to prevent and deter people who pose a risk to the safety of children from working with them, in either a paid or volunteer capacity. Therefore the WWC is an important part of the recruitment process for potential new employees and volunteers.

2. Scope

The onus for complying with the Northern Territory Care and Protection Act, 2015 rests with both the individual and the person who engages the individual e.g. Parish Priest is the employer of all involved in parish activities.

3. Definitions

4.2 Parish Registers

Parishes must keep a register of the following information:

- Names of workers, this includes parish volunteers and council members
- Working with Children card number and expiry dates

Registers maintained by parishes need to be made available for periodic audit.

4.3 Retreats

Where interstate retreats/youth camps are run in the Northern Territory an interstate working with children clearance would be accepted. The organising committee must see evidence and sign off prior to the event taking place.

Exemptions:

- A person who is 15 years of age or less is exempt from holding a Working with Children Clearance.
- A visitor to the NT who will be working as a volunteer for a total period of no more than 14 days per year.

4.4 Costs

The cost of a Working with Children Clearance for a worker in the Northern Territory is \$55.00 and for a volunteer \$5.00. It is expected that parishes will offer to pay for the cost of a volunteer WWC.

4.5 Volunteers

When applying for a WWC the volunteer must name the parish as their volunteer agency. If the person volunteering already has a working with children clearance with another organisation then they should advise the regulatory body at www.workingwithchildren.nt.gov.au and register the parish as their volunteer organisation.

4.6 What if a person declines to apply for a WWC?

If a worker or volunteer declines to have a WWC, the person concerned is prohibited from child-related employment and will be deemed unsuitable for employment or appointment as a volunteer in any position within the Catholic Diocese of Darwin.
